**HELPING MEMBERS**

Much effort goes into the running of the riding club. The Committee manages the administration and general organisation of club activities. However, in order to put on events, each member must do their bit. HELPING members must help out for at least 1/2 day per year. Members who compete in teams are expected to help out for two 1/2 days per year. This can either be for set up, or on the day itself. Please provide us with two options from the list below so that we know where you are willing to help. If you'd prefer both your helping days to be at the same type of event, please tick both boxes for that event. You will be contacted nearer the time.
